**\*\*Audio Files\*\*** A collection of audio files is available for download. The files are organized in a sequence of 80 items, each identified by a unique number (e.g., 1.1, 2.3, 9.4). The file names follow a consistent pattern, with prefixes indicating the unit or section being referenced (e.g., "Unit 1 Rec 1", "Unit 2 Rec 2"). Some notable observations about the list: \* There are 80 audio files in total. \* Each file has a unique name and size, ranging from approximately 354 KB to over 4 MB. \* The files appear to be organized into sections or units (e.g., Units 1-10), with each section containing multiple recordings. Please note that the original text is more of a data dump than a written document, so there's limited context to provide additional information. Here are some downloadable audio files: \* 082 Unit 11 Rec 5.mp3 (1.7M) \* 083 Unit 11 Rec 6.mp3 (527.8K) \* 084 Unit 11 Rec 7.mp3 (1.0M) \* 085 Unit 11 Rec 8.mp3 (1.7M) \* 086 Unit 12 Rec 1.mp3 (327.4K) \* 087 Unit 12 Rec 2.mp3 (486.6K) \* 088 Unit 12 Rec 3.mp3 (856.8K) \* 089 Unit 12 Rec 4.mp3 (2.5M) \* 090 Unit 12 Rec 5.mp3 (2.1M) \* 091 Unit 12 Rec 6.mp3 (388.5K) \* 092 Unit 12 Rec 7.mp3 (1.3M) You can also download the "SpeakOut Elementary 2nd edition" textbook for free. The SpeakOut series is a comprehensive English language course designed to help learners improve their communication skills. It's suitable for elementary-level learners and focuses on developing all four language skills: listening, speaking, reading, and writing. The course uses authentic materials from the BBC to build confidence in all language skills. **###REVIEW AND DOWNLOAD LINKS\*\*** \*Download Size:\*\* ~ 900 MB \* \*\*CEFR Level:\*\* A1 - A2 \* \*\*GSE Level:\*\* 27-39 \* **\*\*Status:\*\*** Available for Free Download
