We believe that everything on the Internet should be free. So this tool is designed for free download documents from the Internet. We are not associated with any website in any case. We are not responsible for the content. You are self-responsible for your download. Is it an official product? No, Utgar's Chronicles is a fan-made service to help you reproduce the online microscope. He has no affiliation with the productions of lame mago or Ben Robbins. Are the rules included? No, it's assumed that you or someone you play knows or owns the rules. You can buy them on the productions of mago soup. Trust me, it's worth it. Does it cost anything? No, you can have so many stories you want and play as many games you want. Can I support the development and maintenance of Utgar chronicles? Yes, thank you for asking! I have a patreon that you can use to help fund the development of this site. Become a patron! Or you can buy me a coffee. You can also sponsor me on GitHub. What's going on with the name? Utgar was a character from our first microscope game and was a sort of racing gag ever since. You want to be an online millionaire? Discover here for free! Do I love playing rpg microscope? The microscope diary allows you to capture details of your microscope games and make them at hand when and wherever you need. Create a new game with a general picture, history bills, palette and first step. Play the game with the goal, focus, history and inheritance. Share with your friends! This app is the perfect mobile complement for the award-winning RPG of the microscope. Have fun! Report suspicious activity Microscopy Explorer.
