Can't go wrong here. ... more Amazing vibe, authentic feel, and friendly staff. Chris & Jessica (the owners) are extremely hospitable. The Academy is one of my favorite places to go with friends. ... more So, if you're looking for a "neighborhood" bar in a neighborhood that is racially, economically and age integrated, this is the place for you! The Academy is actually what hipster locations pretend to be. The outside space feels like a backyard designed by your super creative financially strapped friend. The inside is dim and intimate. The menu is simple and straightforward (burger, grilled cheese, etc.). Lastly, the bartender feels like a permanent fixture that will ensure you feel right at home. If you find yourself in the Larchmere area, ENJOY! ... more My family celebrated my cousin Jovonne Rivers, going home with the Big Guy upstairs, last night. We had a ball! My sister and I ordered the Fried Chicken Salad. It came with 2 pieces of sliced fried chicken, spring lettuce, tomatoes, cheddar cheese and shredded carrot. It was excellent. I love most types of chicken in a salad, but the fried chicken tops them all. My brother-in-law had the Basic Burger (8 oz. CAB patty, lettuce, tomato, onion, fresh-cut fries) and substituted large onion rings for fries. I did not try the burger, but I ate one of the onion rings and it was excellent. They were cooked just right with a perfect crispy batter. We loved the ambiance and decor. Classic American tavern. 4.1 282 ratings Share your opinion about Academy Tavern
