It is considered achievable by everyone, men and women, young and old and begins with the adoption of a primitive mentality of the skin. Now, this Korean beauty philosophy has taken the world by storm! As the founder of Soko Glam, a leading Korean beauty and lifestyle website, aesthetic and beauty expert Charlotte Cho guides you through the world-famous ten-step Korean skin care routine and much more to help you achieve the lighter and brighter skin of your life. With Charlotte's step-by-step exercises, skin care tips and tips on what to look for in products at all price levels, you'll learn how to pamper and care for your skin at home with Korean certification techniques and bring out the "no makeup" makeup look we've seen and admired about women on the streets of Seoul. The Little Book of Skin Care reveals beauty secrets from Charlotte's favorite beauty gurus from around the world, including top models, YouTube sensations, top makeup artists, magazine editors, actresses and leading Korean skincare researchers. With the knowledge of an expert and the voice of a trusted friend, Charlotte's personal tour through the culture of Korean beauty will help you find joy in the daily beauty routines that will transform your skin. Beloved King Ik died, and there was no time to check his wrist before the royal throne was supporting the suspicious profile of an impostor pretending to be Ik's beautiful, lost daughter. With the heroic assholes of the earth scattering on themselves, there's only one man left who can save Jenair's kingdom. His name is Dungar Loloth, a rural blacksmith filmed poster, a surly hermit, and an all around no oozing towards the middle ages, compensating for a lack of height, looks, charm, and tact with guts and an attitude. 1 of 5 stars By Phil Smart on 05.08.21 Description Product Details Click on the cover image above to Some pages of this book! In this illustrated beauty guide, the co-founder Soko Glam Charlotte Cho shares South Korean secrets to get healthy skin and a youth glow. While you guides you through the famous Korean skin care regime 10 steps, Charlotte helps you transform transform the skin and shows that a fresh complexion and dew and "no-makeup" look really is within reach of everyone. In recent years, South Korea has become the epicenter of global beauty trends. From BB creams to masks and more, all these trends have arisen from a culture that lives and breathes the care of the skin. For centuries, the Korean woman has held the conviction that beautiful skin is the ideal beauty, and begin to take care of their skin at a young age. Focusing on prevention rather than treatment, they enjoy beautiful complexions without problems that are the envy of women all over the world. As a co-founder of Soko Glam, a leading site of Korean beauty and lifestyle and e-tailer, the exotic Charlotte Cho is the most important item on Korean skin care. Time in The Little Book of Skin Care: Beauty Secrets of Seoul, shares some of its best secrets for healthy and bright skin. While driving you through a 10-phase skin care regimen, Charlotte breaks essential elements and answers questions about routine day skin care topics to face and exfoliation of the body, affordable facials at home, and mastering the popular "non makeup" look. Readers will learn that South Korean women have a philosophy "skin care first", which is based on the development of good daily habits, being aware of their skin, and using effective products with the right ingredients. Rather than seeing skin care as a chore, the Korean mentality is to see it as a source of delight, and as a pleasant way to start and finish the day. His understanding and product advice of Charlotte is complemented by step-by-step visual tutorials and is combined with information from superior Korean dermatologists on how to deal with common skin issues such as dark circles, blackheads, acne, wrinkles and dry and fat skin. For those who have a little vagrant beauty, an exclusive chapter collects local favorites to create the ultimate insider guide to the best shops of Korean cosmetics, spa and saunas in Seoul. The small book of skin care introduces practical care of the skin as-tos and a way of life that can help any woman, no matter her age, reveal her true beauty.
