This company has allowed me grow in my career in ways I am so thankful for. The support I receive from the owners is unmatched and I am so thankful for having such an amazing place to call home! Thank you 7 steps ♥️" "My son attends this center part time and it is AMAZING. It has a nice home feel and the staff is fantastic. They treat my son so well and make sure to keep me informed all day on everything he is doing. The teachers and the directors are very responsive and so kind. The playgrounds are so cute and the classrooms are well set up. I am so thankful to have a center I can completely trust with my little boy." "My son and daughter (2&4) went to 7 Steps Learning Academy and loved it. Both made a ton of projects that they proudly brought home, both were well taken care of, happy, and developed interests. The staff was very communicative with whatever questions we had. The schedule for both kids incorporated numerous things kids need to explore - singing, learning words for various things, games, learning schedules, writing, playing outside, etc. I was happy with the care 7 Steps learning academy has provided and would recommend this daycare." "Our oldest daughter began her Journey at 7 steps around the age of 16 months. Like any new experience, the first day was the hardest but she grew confident and was so loved each day. The teachers Vanessa, Dana, Stephanie, and Jordan saw our daughter grow in her boldness, new skills, continuing academia, and height (lol)! It is hard to say goodbye, but living in a huge metropolitan city the transitions to PreK and kindergarten happen early on and fill up fast. Thank you again 7 Steps!" "We have loved our time at 7 Steps Learning Academy! They have taken wonderful care of our 4-month-old son. His teachers are attentive, professional and knowledgeable. They accommodate our preferred feeding/nap schedule and whenever we come to pick him up, he is smiling and seems at ease!"
