Given article text here Looking forward to seeing everyone at the meeting tomorrow and discussing our strategies for teaching Algebra I, Geometry, and Algebra II under the Common Core Regents Exams and sample items. We will be assigning AI Regents Exam online using Jumbled to students. Please note that this resource is being offered in addition to the assistance available from the Department by telephone. You can access the latest information on administration and scoring of the Regents Examinations, including date and time for each exam, as well as Scoring Clarifications and Rating Guides, by visiting this site. You must use Adobe Acrobat X or higher to open the secure PDFs for the above exams. For quick reference, the June 2024 Regents Examination period includes dates from June 4-26, 2024. We will be providing timely information and guidance on the administration and scoring of each exam during this time. Please check back frequently for updates, including Uniform Statewide Admission Deadlines, Web Posting Times for Scoring Keys/Rating Guides and Conversion Charts, and Telephone Support details. We hope to see you there!
