It would be impossible for us to view each of more than 70 items on this site. So, we chose several of our favorites to give you an idea of what to expect. African King Machine-exciting online game from Netgame Entertainment. This game, released in September 2019, is designed in a unique African theme. Offering 20 gaming lines on five drums, the African King slots have a percentage of return to the player 93.68%. Although this may not be the highest result that we saw in the online slots, this game can offer much more. In the first place in our list of game functions that cannot be missed, King of Africa jackpot with 13,383 chips.

He also offers free towers for players, multipliers and various variation options and wild characters. Fortune Cash is another exciting pearl of Netgame entertainment. Fortune Cash is an automatic machine with an average dispersion offering 243 payments. With a minimum and maximum range from 0.25 to 25, this game is suitable for all types of players. So what can you expect from Fortune Cash? What distinguishes him from others and will gamers want to take part in it? Well, in this game there is something to offer. The largest jackpot is cool 247 pieces. The slot machine offers a return to the game in the amount of 95.24%, which is a competitive value, taking into account many modern online games.

You can also expect free towers in this game, and several profitable symbols. Wolf Reels Wolf Reels was launched in November 2019. It is a wolf-themed slot game available on multiple devices. The main features of this slot machine are the 360 coin jackpot and the free bonus game. Returning to a player rate of 95.31%, Wolf Reels has great potential for profitability. Like many other Riversweeps casino games, Wolf Reels has five reels. But where it stands out from the crowd is in the 1,024 paylines. You just need to count to 0.20 to enjoy this game.
