# The great courses learning spanish workbook pdf

Learn basic Spanish conversation skills with a story set in Peru | 44 Lessons that Include Audio Downloads and PDF's What you'll learn: Basic conversational Spanish for beginners with a focus on learning strategies to improve your memory skills. We also look at the fascinating country of Peru! "Spanish Awakenings" is a Spanish course for beginners that will flow like a story. Besides Spanish beginners, it is also suitable for people who studied Spanish years ago in high school or college and who want to refresh their memory about basic Spanish vocabulary and grammar."I love how it feels like I'm learning from PBS. One of the greatest learning experiences I have encountered" "Wonderful course. Wonderful teacher! Wonderful explanations!" "I liked how you added important grammar and even the culture of your country!" "I love the course. Very very informative" "Awesome instructor! Takes his time to teach! Gives the meanings and the what to listen for" These beginner Spanish lessons are built around a story that is designed to let you recognize and acquire basic Spanish vocabulary in an entertaining, real-life context. You will learn new words and expressions by using your intuition - and you will do this naturally and organically. Spanish students who follow the course and do the work will develop basic communication skills in Spanish! It is a great foundation for Spanish beginners who are serious about learning Spanish, but who are tired of the traditional methods. We have also provided tools to help you study off-line: the course now includes a downloadable audio package and a PDF study guide. Learn Spanish language in an easy way with our complete fast learning course (2020) and start speaking from day one. What you'll learn: To speak, understand, read and write Spanish at a beginners level.The correct pronunciation of Spanish, so you can make yourself easily understood (the course is taught by two native Spanish teachers from Madrid).To understand and correctly use the essentials of Spanish grammar: articles, nouns, adjectives, pronouns, verbs in present tense, etc.How to get around different places such as: hotels, airports, restaurants, stores and supermarkets.All the necessary vocabulary (visual reinforcement is used to facilitate assimilation) to start speaking and understanding Spanish from day one: days of the week, months, parts of the body, colours, greetings, introductions and farewells, etc.How to manage basic conversations such as getting information by asking questions, talking about your hobbies, your family, your daily routines, etc.Blueprint sentences to use in your daily life or while traveling to Spanish speaking countries. This beginners course offers you all the necessary elements to acquire a solid foundation of Spanish. When you finish this course, you' ll have gone from not knowing any Spanish to be able to travel to Spanish speaking countries and communicate with an increasing number of people. Keep in mind that Spanish is a global language on the rise, currently spoken by more than 570 million people around the world.We've included over 56 lessons, more than two and a half hours of video in HD quality, pictures and slides for visual reinforcement, over 40 PDFs with all the essentials of Spanish grammar, quizzes, and 10 downloadable audio files, to help you practice your Spanish anywhere, anytime.The course is structured in two sections:1) Grammar and basic vocabulary: Articles, nouns, adjectives, pronouns, verbs, greetings, numbers, colours, food, free time, etc.2) Practice activities: You will practice how to pronounce Spanish properly with the help of two native Spanish voices. You will learn blueprint sentences to use in your daily life or while traveling and you will practice conversations in real life situations to help you put all the concepts learned in context.We recommend you watch and review the videos as many times as you need to, since the constant repetition of sounds, concepts and information is paramount in the learning process of a language.In many lectures, there are downloadable resources at your disposal to facilitate the assimilation and consolidation of the content. All these resources will support your journey throughout the course.We hope you enjoy the course and we are confident that you will have reached your Spanish goals when you finish it.
