Eleni is based on the true story of a New York Times reporter who went searching for his past in Greece. The reporters name is Nicholas Gage.As a very young boy, he is sent to America to join relatives at the end of World War II. He has a sharp memory of his mother promising to join him as soon as possible. But his mother never arrives, and word finally comes that she has been killed shot by a firing squad in the confused days of the Greek civil war.As the movie opens, years have passed, but the agony of that loss has not faded for Nick Gage. He feels he cannot rest until he finds the answers to the questions that haunt him: Why was his mother killed? Who killed her? He arranges to be sent to Greece on assignment for his newspaper, and his wife, who has had to live with his agony, realizes how special this trip is when she discovers him packing a gun.Eleni tells Gages story in the present day, and then uses flashbacks to tell his mothers story. The adult Nick is played by John Malkovich as an introspective, wryly intelligent man who harbors deep hurts and angers.The flashbacks center on the last days of his mother, played by Kate Nelligan as a remarkably strong, courageous, clearheaded peasant woman. Both performances are good, but the second one is not necessary.In a curious way that has to be seen to be understood, the flashbacks weaken the story.The movie starts by looking through the eyes of an adult American who seeks answers from his childhood and his past. By allowing us to see the events of 40 years ago, the screenplay makes a tactical error: It shows us things that Nick Gage himself never saw, and could never have known. The importance of his mystery is lessened.And the movie dissipates tension by providing us with information Gage is still searching for.That said, there are still many fine qualities in Eleni. Some of them are not quite apparent until near the end of the movie, when the climactic scenes help us appreciate what before. In particular, there is a moment when Gage actually sits down at a table across from the man who killed his mother, and looks into that mans eyes, and tries to decide what to do next.It provides the emotional payoff for all of the groundwork in the Malkovich performance: We see the decision of a man we have grown to know.Malkovich is developing into one of the great strong quiet zones of contemporary film acting. His characters internalize their feelings.Anger causes his voice to drop. And, when it rises, it seems as if feelings are being forced out of him.The result is more effective than if he pounded on tables and waved his arms choices some other actors might have made, given a volatile Greek-American to play. This is a character who has been hurt very deeply inside, and has spent years brooding on that hurt.Kate Nelligan, on the other hand, provides a more demonstrative performance as Eleni. Her eyes flash, her temper flares, she is passionate in her care for her children.She is among my very favorite movie actresses (remember her performance in Eye of the Needle?). But she is probably not quite right for this role, because she seems too finished, too sophisticated, for this woman who lives in a house with earth floors and goes to the well for her water in the morning. She tries, but she is too polished.The movies fatal flaw, however, is to ever show us Eleni in the first place.What happened in 1947 is one thing. What Nicholas Gage does about it 35 years later is very much another thing, and has to do with memory and revenge, not with the literal rediscovery of the past that we get from flashbacks. 1996-2025, Amazon.com, Inc. or its affiliates Eleni is a transliteration of the Greek name , also written as Helen, Helene:Eleni (given name), including lists of people with that nameEleni (film), 1985 film adaptation of Gage's book, by Peter YatesSSEleni, Greek cargo ship in service 195971Elaine (disambiguation)Elena (disambiguation)Ellen (disambiguation)Helen (disambiguation)Helen (given name)Helena (disambiguation)Helene (disambiguation)Topics referred to by the same termThis disambiguation page lists articles associated with the title Eleni.If an internal link led you here, you may wish to change the link to point directly to the intended article.Retrieved from " TROLLING A NOOB in Minecraft Eleni, is currently Pat's EX. ever since Pat and Jen broke up. Pat and Eleni have not been recording videos together on the Pat & Friends channel on youtube.Eleni has never really watched videos before, and according to Pat, she was doing great on YouTube as a gamer, giving her a chance.On the latest video on Pat & Friends and GamingwithJen and PopularMMOs there has been a lot of controversy about the titles of the video. It has been made clear that they cooperated to give everybody some space.PopularMMOs: Playing lucky block bedwars with Eleni and my ex-wife JenGamingWithJen: Playing lucky block bedwars with Pat's girl friendPat & Friends: Playing lucky block bedwars with Pat's ex wife.Drama]Pat gave Eleni a chance to create her YouTube channel and grow but Eleni took it a different way, Many believe that Eleni used him to get subscribers on her channel, and Eleni is currently working on her channel, seemingly unaffected by the drama of which she was an integral part of. Pat has made videos on the matter recently trying to settle the matter and get over it, but matters were complicated by Eleni, who made unsubstantiated claims that Pat was slandering her, among other things. Below are the videos on the controversy (top two are after breakup and drama start, last three are things leading up to this). (And also tried to hurt Pat and leak his address) Trivia[Eleni's Minecraft skin is a replica from an online skin, but was retextured.When she first made her skin, she was unaware that it was backwards.Her Minecraft name, ,kouklitsa , refers to her Instagram account.Although from the United States, Eleni naturally speaks with a Southern accent.Recently, Eleni has been in drama with PopularMMOs.After Pat and Jen divorced, Pat and Eleni made some Minecraft videos together, in which they seemed happy. Although, some of Pat's viewers disliked Eleni, and Pat then made several videos defending Eleni, some of these videos include:I'm so upset...Jen Talks About Eleni..Eleni and Pat (PopularMMOs) were dating/girlfriend and boyfriend for around 6 months (according to Pat), (and have now broken up), but Eleni rejects this and says they hadn't dated although Pat has proof to the contrary, it is not 100% confirmed. Eleni is a very common female Greek Name, popular both in Greece and Cyprus.The name Eleni has a long and interesting history, as it dates back to the antiquity.Eleni in Ancient Greece was a synonym of the shining and glorious woman. Perhaps this happened because Helen of Troy, the most famous Eleni in Ancient Greece, was described by Homer as an amazingly beautiful and glorious woman.Sound of name Eleni: E-le-niNameday of Eleni: May 21st along with Kostas, KonstantinosMale Version of Name Eleni: N/ASaint Helena Origin of Name EleniAlthough the name Eleni comes from the ancient years, the Christians tend to associate names with their Saints.Saint Eleni, or Helena as she is mostly known in English, was the mother of Konstantine the Great, the Emperor of Byzantine Empire.Her full name was Flavia Iulia Helena Augusta, and she was consort of Emperor Constantius, although coming from a very poor family.During the reign of her son, Eleni was living in obscurity, although her influence to Konstantine was immense. Eleni was Christian and she was the main responsible for the pro-Christian decisions of her son, who was a pagan.She died in 330AD and her sarcophagus is believed to be on display at the Pio Clementine Museum of the Vatican. She was famous for her piety, thus she was proclaimed a Saint by the Eastern Orthodox, Oriental Orthodox and Roman Catholic churches.The memory Agia Eleni (Saint Eleni) is honored on May 21st, which is the nameday of Eleni and Konstantinos (her son).Nicknames deriving from name EleniEleni is, as well said a very common name, therefore there are several nicknames deriving from this name: Leni, Elli, Lena, Lenio, Lenaki, Elenaki, Elenitsa, Nitsa, Lina, Eleana, Lengo, Lenitsa.The Names Fairy reveals the meaning of the name EleniThe name Eleni reflects a strong and imposing woman, with strong personality and character. Eleni is a woman that always tries to look beautiful and attractive.
