Package name: com.supercell.clashofclans Version: 14.635.9 (1486) File size: 265.4 MB Updated: August 11, 2022 Minimum Android version: Android 5.0 (Lollipop, API 21) Screen DPI: nodpi Architecture: armeabi-v7a, arm64-v8a MD5: 146712dae19c0454d1a4d595f04d524 SHA1: 35a893fea5d93abb271b1d62073eb2ebc3dc19fb Various minor bug fixes and improvements Discover the addictive portable gameplay in the world's most famous strategy game as you dive into the endless adventures in Clash of Clans. Build your own clans with multiple races, construct various buildings with unique uses and features, discover endless upgrades, and many exciting features from the epic game from Supercell. Take on various exciting game modes and discover the endless gameplay in Clash of Clans. Find out how you can turn your tiny little settlements into the world's greatest clan in this epic game. Join millions of online gamers in the ever-evolving gameplay and enjoy new features every day. Find out more about this amazing game with our reviews of Clash of Clans. Story In the game, you'll take on the role of the absolute omnipotent of your people. Enjoy yourself in the endless and exciting gameplay as you build up the mighty base from scratches, lead your people to glory by guiding their paths, take down other clans as you rule the lands, and more. Discover many different buildings and construct your base to how as you wanted. Build your armies and ready for the epic raids against the enemies. Participate in multiple missions and challenges. Unlock various upgrades and power-ups. Everything is possible in Clash of Clans, you only need to reach a certain milestone. Features Here you'll find all the exciting features that the game has to offer: Build your village and lead the people to a brighter future To begin with, you'll have to start and build your village from scratches. Find a good spot for the people to settle, construct your very first buildings, collect resources, and gather new villagers to your town. Expand your base as you progress in the game and unlock more buildings. And most importantly, you'll find yourself being attacked by many other clans in the game. Hence, you'll have to reinforce your bases with proper defenses. Build towers, position troops, and other defensive contraptions. You'll have to arrange the buildings and organize your defenses so that the enemies can never penetrate through. Defend your people from enemies' attacks and raid other's bases As you collect resources in the game it's important that you have them protected against enemies' raids. That being said, you can make uses of cannons, bombs, traps, mortars, and even walls to defend your goods from the enemies. Build up your defenses and prepare for the grand-scale assaults from the enemies at any moment. On the other hand, you're also allowed to build your own armies to take on others' bases. Feel free to raid anyone you like with your troops, but make sure that you can take down their bases in a single strike or you'll only lose your armies for nothing. But with the right strategies and suitable units, you can easily penetrate through their defenses. So don't afraid to try out your tactics and hone your skills in the process. Take on your epic adventure against the Goblin King For those who're interested, the game also features the exciting single-player campaign for you to enjoy. Find yourself taking on the evil Goblin King as he tries to take over the entire realm. Build your bases to defend the enemies' attacks and muster your men for an all-out assault at the enemies. Have faith and you shall win against the evils. Not to mention that the rewarding prizes will make your journey extra worth. All kingdoms and clans shall unite to fight the common foes. Make uses of the unique powers and strategies to join epic battles And speaking of battles, the game features a variety of different troops from various races with unique powers and abilities. That being said, you're free to customize your armies to how you wanted. Plan your unique battle strategies as you counter that of your enemies. Create the ultimate by combining the different units with unique powers and come out on top using your enhanced powers. And with the latest Siege Machines that were recently added, you'll also your chances of defeating the enemies. Discover many upgrade options to strengthen your clan To make your armies even more capable during the battles, gamers in Clash of Clans are also allowed to pick up multiple upgrade options on their buildings and armies. That being said, you can start by reinforcing all your defenses so that they can stand against more devastating enemies' attacks, train your troops to upgrade their skills, and unlock the epic heroes that can lead your team to victories. Discover various upgrades options with various development paths that you can choose. Pick the ones that suit you the most and head into the Clashes of Clans. Enjoy various events and challenges Along with the main gameplay, you'll also have the chance to join others in the exciting Friendly Challenges, Friendly Wars, and the special events. Feel free to discover these unique game modes as you fight your way through the enemies, win your matchups, and of course, collect awesome rewards for your people. And make sure that you're quick since these events will not last forever. Explore the awesome Clan gameplay For those who wish to make friends in the game, the Clan gameplay is definitely a good place to start. That being said, here, you can join an existing Clan or create your own with a few friends. Nonetheless, you'll now have a place to communicate with fellow players from all over the world. Join each other in the epic Clan Wars and fight against other Clans from various parts of the globe. Trade resources with your fellow Clanmates, exchange your experiences in the game, and more. And with the latest updates, you're now able to join other members on the exciting Clan Games, from which you can earn the awesome Magic Items. Free to play Despite all the amazing features, the game is still currently free for all Android gamers to enjoy. That being said, if you're interested in some building and raiding gameplay, or eager to make some friends and enjoy some quality time, Clash of Clans is where things will start. And what could be a better start than to have to game downloaded for absolutely free. Enjoy the unlimited gameplay with our mod However, if you wish to enjoy the game to its fullest, then you might find the in-game purchases somewhat limiting. That being said, you can unlock all of that without having to pay anything by installing our modified version of the game instead. With it, you'll have access to unlimited gem, gold, and elixir, which are pretty much all the things you'll ever need to build and develop in this game. All you'll have to do is to install our Clash of Clans Mod APK and you'll be good to go. Visual and sound quality Graphics Despite being released for years, the game still features amazing graphics compared to most other titles that're currently available. That being said, you'll find yourself enjoying the exciting strategy gameplay and stunning visual experiences, both at a same time in Clash of Clans. Sound/Music Immerse yourself in the addictive raids and defense battles with your people in Clash of Clans with the accurate sound effects and powerful soundtracks. Find yourself as a leader, inspirer for your clan as you hook to the game for hours on end. Download Clash of Clans Mod latest 14.635.9 Android APK The game is undoubtedly one of the best strategy game for the Android platform. And despite the time, it still maintains a fun and satisfying gameplay thanks to multiple updates. If you're interested in other great title from the same creators, then Boom Beach and Clash of Kings are also two great games to enjoy. Latest version 14.635.9 Aug 10th, 2022 Clash of Clans is a management RTS. Here, you'll find a village where the members of your fearless clan reside. Then, you get to send them out into the world to face missions and prove their courage while destroying enemy camps. Divided into two completely different stages, you start out by building structures and hiring citizens (yup, you have to pay them). Later on, you get the chance to participate in real-time strategy battles where you can show off your skills. With ten different types of units, you can build up your strategy by gaining experience and money. Defense systems must also be developed for your city and are vital if you expect to withstand the brutality of oncoming enemy attacks. Given its viral success, Clash of Clans is obviously a very entertaining game with classic management strategy gameplay that's far more unique than might initially be guessed. Plus, it's completely free and totally optimized for Android. Reviewed by Andrés López To play Clash of Clans on PC you can download the Gameloop version which is available from Uptodown. In this version you will find an installer that will open the game directly for you to enjoy. Clash of Clans generates considerable revenue, with current revenues of around 7 billion dollars since its launch and with all its history as a videogame. Currently 567 million people have downloaded Clash of Clans at some point in their lives on their Android device. Clash of Clans currently has almost 130 million players per month who enjoy the game. In Clash of Clans, P.E.K.K.A. is a unit that can be unlocked in the Standard Barracks when the user reaches level 10. You also need a Town Hall at level 8. It is a heavy-weapon melee troop. Clash of Clans takes up approximately 270MB. As it is a large APK file, you will have to check the storage space on your Android device. After installing the game it is very likely that you will have some downloads for patches. Yes, Clash of Clans is free of charge. To download the application you can find the APK file from the Uptodown website where you can download the video game for free. Clash of Clans contains in-app purchases to unlock items or characters. To download Clash of Clans, you just have to search for its APK file from the Uptodown website. Here you will find the latest updated version so that you can install the app without any problems. 14.635.8 Aug 1st, 2022 14.635.7 Jul 28th, 2022 14.635.5 Jun 28th, 2022 14.635.4 Jun 27th, 2022 14.555.11 May 13th, 2022 14.555.9 May 4th, 2022
