Walker soon finds himself in a whirlwind of otherworldly creatures and events as he finds out the true nature of this "special ops" team: SEAL Team 666. Battling demons, possessed humans, mass-murdering cults, and evil in its most dark and ancient form, SEAL Team 666 has their work cut out for them. And it's not long before they realize that the threat isn't just directed against the U.S. - an ancient and deadly cult has bigger plans, and Walker is at the centre of a supernatural conflict with the entire world at stake. Book 2 Published 15 October 2013 "When a Senator's daughter is kidnapped by a mysterious group with ties to the supernatural . . . it's clearly a job for SEAL TEAM 666. As Triple Six gets involved, they discover links to the Zeta Cartel, a newly discovered temple beneath Mexico City, and a group known as Followers of the Flayed One. International politics, cross-border narco-terrorism, and an insidious force operating inside the team soon threaten to derail the mission. Forced to partner with several militant ex-patriots and a former Zeta hitman-turned-skinwalker, Triple Six is the world's only hope to stop the return of the Age of Blood"-- Book 3 Published 14 October 2014 "Reign of Evil, the third installment in Weston Ochse's series starring the Navy SEALs who handle supernatural threats, with film rights optioned by MGM Legend holds that when Britain is in its darkest hour, King Arthur will return to save the country, if not the world. That legend is dead wrong. When a Grove of Druids sacrifice the lives of a group of innocent people, including the fiancée of a member of SEAL Team 666, the ancient king is brought back from the dead and sets his sight on subjugating humanity and cleansing his land of all who are not true Britons. Because of political sensitivities, Triple 6 is ordered to stand down, but that order is ignored by one of them seeking his own vengeance. In a shocking twist, Triple Six is ordered to bring in their own man instead of hunting down what they consider to be the real threat. Now, the members of America's elite supernatural-hunting team must decide what is more important: their orders or their loyalty to their own team member. Film rights to the SEAL Team 666 series were optioned by MGM, and Dwayne "The Rock" Johnson recently signed on to star in the feature film adaptation!"-- "Legend holds that when Britain is in its darkest hour, King Arthur will return to save the country, if not the world.
