Hello everyone! Generisigno Mikilecompany revealed the Miku Nendoroid and Figma snow! If you didn't know, the new Miku 2019 snow design is designed by - LF - How won the Snow Miku competition! Let's take a look at the images! I'm just going to place photos and at the end my opinion about them. Note that all the images shown below belong to more goods more goods, NendoRoide! - My Phins -cessentment. Overload. I've never been so excited about a nendoidit is really well sculpted and the colors are really nice! I also like the other parts that come with it! It's so cute! Aaaaaaanow for Figma! - My thoughts - I think this outfit really suits this figma! I love details about her and glossy white coat on one of her dress layers! But I have to be honest, I really like Nendoroide. Are beautiful? Yes. Finding both? Surely. Should it be a waste of money? I don't think so .Hotel?
