All other company and product names are trademarks of the companieswith which they are associated. SearchClear searchClose searchGoogle appsMain menu To sign up for Gmail, create a Google Account. You can use the username and password to sign in to Gmail and other Google products like YouTube, Google Play, and Google Drive. Important: Before you set up a new Gmail account, make sure to sign out of your current Gmail account. Learn how to sign out of Gmail. From your device, go to the Google Account sign in page. Click Create account. In the drop down, select if the account is for your: Personal use Child Work or business To set up your account, follow the steps on the screen. Create an account Tip: To use Gmail for your business, a Google Workspace account might be better for you than a personal Google Account. With Google Workspace, you get increased storage, professional email addresses, and additional features. Learn about Google Workspace pricing and plans. Try Google Workspace The username I want is taken You cant create a Gmail address if the username you requested is: Already being used. Very similar to an existing username. For example, if example@gmail.com already exists, you can't use examp1e@gmail.com. The same as a username that someone used in the past and then deleted. Reserved by Google to prevent spam or abuse. Someone is impersonating me If you believe someone has created a Gmail address to try toimpersonate your identity, you can: Unfortunately, Gmail is unable to participate in mediations involving third parties regarding impersonation. Learn more about Gmail Terms of Use. Related resources How do I create a new Google Account? Sign in to Gmail Post to the help community Get answers from community members Your Google payments profile stores information like: Name, address, and tax ID (when required legally) of who is responsible for the profile Credit cards, debit cards, bank accounts, and other payment methods youve used to buy through Google in the past Receipts and other information about past transactions Subscriptions and recurring payments People you invited to use your profile You can create a profile, use other profiles youre invited to, edit profile information, or delete profiles. Create a payments profile If you pay for Google products or services, a payments profile is automatically created for you the first time you enter payment details during checkout. When you enter new payment information for a Google product or service, it gets saved in a payment profile. The next time you buy something through Google, you can reuse the information in the profile or create a new profile. Any payments profile you create or are invited to is associated with your Google Account. "Individual" & "Business" profiles Important: For some business products, like Google Ads, you may find Account type = "Organization" instead of "Business." When you create a profile with some Google products and services, youll be asked whether its an "individual" or "business" profile. This information must be accurate for tax and identity verification. Tip: You can only edit your legal company name with a business account. Learn how to update your payments profile. This setting cant be changed. Make sure to choose the one that best fits how you plan to use your profile. Individual: Choose this setting if youre using your account for your own personal payments. Business: Choose this setting if youre paying on behalf of a business, organization, partnership, or educational institution. Edit or delete a profileEdit a payments profile You can edit a profile you created or are an admin on. Sign in to your payments summary. If you have more than one profile: At the top right of the page next to your name, tap or click the Down arrow . Choose the profile you want to edit. Make your edits. You can change information like your address, tax ID, and payment methods. Save your edits. Delete a payments profile To delete a payments profile, youll need to close it first.Leave someone elses profile Sign in to your payments summary. At the top right of the page next to your name, tap or click the Down arrow . Choose the profile you want to leave. Tap or click Settings Manage payments users. Next to your name on the user management card, tap or click the Down arrow . Choose Remove and confirm you want to be removed. Contact us Tell us more and well help you get there
