Jimmy McGovern's script concerns a Roman Catholic priest (Linus Roache), while he struggles with two difficulties that precipitate a crisis of faith. The film's release was controversial and received church condemnation. Father Greg Pilkington's father, newly appointed to St. Mary's parish in Liverpool from the city center, is surprised to discover that Father Matthew Thomas is involved in a sexual relationship with the governess of the rector Maria Kerrigan. In addition, Father Thomas is a left radical and a defender of liberation theology, leading him to constant confrontations and fighting with the bishop-who, however, appreciates his abilities. While the personal traditional conservatism of the young protagonist and religious beliefs are offended by the blatant disrespect of the elder priest for his vow of celibacy, he struggles with his own homosexual impulses, especially after meeting a man named Graham at a gay meeting pointand the two embark on a physical relationship. meanwhile, the flat student unworth confided that he was beingrehruf a tneps dna noillim 57.1\$ rof sthgir noitubirtsid SU eht deriuqca xamariM .smlif tuoba deklat tsom eht fo eno saw dna 4991 rebmetpeS ni lavitseF mliF lanoitanretni otnoroT eht ta dereimerp tseirP esaeleR .reitsehcnam dna .nodnoL .Jooprevil .sdnasilednuIB ni noitacol no tohs saw mliF ehtT noitcudorF htrowsnU .srM sa prahS yeiseL htrowsnU .rM sa hguP treboR htrowsnU asIL sa ocramerT enitsirhc nagirreK airaM sa nosyT yhtaC maharG sa ehYiraC treboR samohT wehttaM rehtaF sa nosnikiiw moT notgnikiHP gerG rehtaF sa ehcaoR sunil tsaC gnibbos .sira s'rehto hcae otni llaF owt eht dna .tseirp regnuoy eht sehcaooppa yllamif asIL .wehttaM rehtaF morf noiummooC ewiceer ot pu enil dna gerG rehtaF erongi srenoihsirap gniniamer eht tub .IsirahcuE eht etubirtsid ot nigeB neht stseirp owt ehtT hcruhc eht ewael yeht sdnameD wehttaM rehtaF .ratla eht For Eceneserp S'gerg Rehtaf ot deso elpooep fo stsetorp duol eht yb detpursid tabt ssam a revo obserp owt dna .s'qram ts ot ot ot ot sedau srep wehttaM rehtaF .tseirp gnivigrofnu dna gnivorppasid a yb dedaeh hsiarp larur etomer a ot setacoler gerG rehtaF .srenoihsirap sih ecaf ot elhanu .dna repapswen lacoI eht fo egap tnorf eht no denildaeh si yrots ehtT .meti swen lanoitasnes a rof sekam tseirp cilohTaC a si Eht tcaf eht dna .Ehrahc eht ot ot ot ot of ytlug sdaelp eh .rac dekrap that maharg htw xes gnievah rof is locked temrot simah .MIH ta ssilassal ssilasnu tseirp eh .srn nehW .dnabsuh reh fo erac eht of Elihw Ephas the reh seveileb is namow eht tub .reh no hcFaw edolc a peek ot rehtom rehtom traw ot seirt eh ruonoh ot deriuqer ia gerg rehtaf os .rewehoh .lanoissefnoc eht ni terces rieht delaever evah .pots ot erised yna ron s syalpsid dna smrfnoc , Tsav a ta spmilg gnitanics a semoce a ... (1994 film)&oldid=1098914776" I have just re-signed the priest after 12 years, and I think it is even more powerful and relevant now was then, given the scandals in the Catholic Church and the increase of religious militancy and fundamentalism in the world. Although occasionally teetering on the edge of preaching and novel, Priest is saved by a tight direction and very beautiful performance. It effectively shows the humanity of people in the Church, unlike how some would have to believe. As a person who is not linked to organized religion, I obviously find a lot to approve here. But the strength of the Priest is that someone who loves the Catholic Church for what it really is, the teachings of Jesus, and not what cruel, irrational and ignorant human beings have done of it will find much to be enriched here. The priest is not anti-Catholic innot in the true sense of the word. On the contrary, it's anti-human madness. Of course, this segment that is fundamentalist and inflexible, which cannot imagine - horrors! - that one could be gay have and will continue to express their moral outrage and call this "hate speech."As a final note, I also happened to read Roger Ebert's inexplicable review of Priest. If I hadn't seen his name on it, I would think it was written by Michael Medved. Since Ebert is generally religion neutral and very gay positive, I simply don't understand his outrage at all - very puzzling indeed. And he gives Mel's hideous Passion of the Christ, one of the most immoral and disgusting movies ever made (again most especially if you ARE religious) a perfect 10. 10.
